NOTE—IF YOU PREFER A VIDEO TRAINING INSTEAD OF THE STEP-BY-STEP GUIDE, YOU CAN [VIEW THAT HERE](#). THE VIDEO TRAINING IS APPROXIMATELY 12 MINUTES.

If you have a new business that you first need to add to the directory, here are the **ADD LISTING** links to the [STAY](#), [DO](#), [TASTE](#), and [SHOP](#) directories. Some business owners feel strongly that, as an example, their business should be in the Stay and Do directories because they have entertainment offerings at their hotel. In an instance like that, the business owner should add a STAY-focused listing in the STAY directory and an ENTERTAINMENT-focused listing in the DO directory.
